“ I was deeply saddened - more than I expected, frankly - to hear of Mr. Stieber's passing. I wanted to come by the funeral home, but my stepmother had undergone serious surgery that day and by the time I delivered my dad back home it was too late. Bud was my Little League coach for many years in the Sterling Heights Rec League, and the way he coached - and the lessons he brought - have stayed with me forever. He gave his time and cared about all of us, and made sure we had fun whether we won or not. Seeing Mr. Stieber, and his son, was one of the things I remember looking forward to each spring. Rest in peace, Bud....I know you will be missed by many family members and friends, and the world was a better place with you in it. --Brian Kurtz

“ Words cannot express how I feel at the loss of my Godfather, my Uncle Bud. I'll never forget all the jokes and prank type things he would do when we were all little. One time he put up on top of the refrigerator! I thought it was the coolest, most fun thing ever!! I've missed him and our talks about country music. I remember when he spoke so highly of Dwight Yoakam when I was just starting to like country music in the 80's. Whenever I hear a Dwight Yoakam song or play the CD I have of his from back then, I think of Uncle Bud. I remember our parents paying cards at the kitchen table at their house usually, every body laughing and joking and having a good time. That is how I want to remember Uncle Bud, laughing and helping those around him laugh. I am sure this will be a very difficult time for my Aunt Flo and my cousins Allen, Michele, Denise, John and Jennifer. Please know if there is anything I can do, even if it is just to listen, I am here. I love you all and share in your sorrow today.

Love,  
Ann Marie Wrubel
