“ It's always sad to see another of our generation of the Sauer family pass away. I think we're down to 23 now. But long lives aren't prevalent in our family, so Amanda was way above average. I never knew her personally, but remember the family, and I offer my condolences at the loss of someone who was very special to you.

“ Cheryl, Sharon, and family. I cannot express how sorry I am to hear of Amanda's passing. She blessed my life in so many ways. She always made me smile. I loved spending time with her. My children even knew her room. All I had to say was go to Miss Amanda's room and they would run there and be greeted with a smile from your mom. I loved our walks, watching Raymond and just talking Utica with your mom. I was thinking last night of how a few months ago she said she loved my hugs and how much I am going to miss hers. She was a wonderful person and I was so glad to have been her "neighbor". You are all in my prayers. God Bless your family.

“ Cheryl, Jim and Family - we are so sorry for your loss. We have many great memories of spending time and playing Euchre with Amanda, Cheryl & Jim and whoever else may have been up at the cottage in Caseville. We always had so much fun and so very many laughs. These are memories we will always cherish. Love, Ty & Lori
