

Amber Gilbert

April 29, 1976 - March 17, 2018

Beloved daughter of David and Jacquelyn. Dear sister of Mikki and brother-in-law Scott Romesburg. Proud aunt of Lexi. She is also survived by T.J., her faithful cat and many aunts, uncles, and cousins. She will be missed by many.

Although Amber faced many challenges in her life, she always remained a compassionate and caring person with a heart of gold. She was happiest when spending time outdoors, especially on or near the water. Amber especially enjoyed being at Trout Lake or swimming in the canal of Lake St. Clair. She also enjoyed kayaking and taking pictures of nature and various buildings throughout the city.

Donations in memory of Amber can be made to Silver Muzzle Cottage, Elk Rapids Michigan.

“ Although we did not see Amber very much, her presence in our family will be greatly missed. We lift up Jacque, David, Mikki, and Lexi in prayer, and pray that God's loving grace will sustain you all through this time of grief. We love you, David and Nikki

“ We have been neighbors for about 14 years and even though we didn't know Amber very well we would see her quite often coming and going because we were always outside doing yardwork. We would exchange smiles, a wave or a hello. We are so saddened for your family's heartbreaking loss. We shall miss her. Karen and Mark Esper

“ Oh Jacque, David and Mikki, my heart just broke when I heard of your loss.

Amber was always so great when our kids were little. She would play with Pat in the pool til he pruned and introduced him to video games--now he designs them for a living. She was very generous with her time and energy. So very, very sorry.

Much love to all.

“ I never had the honor of meeting Amber, I do know David, Jacque and Mikki, and what a wonderful and caring family you are. I am so sorry to hear about Amber and my thoughts and prayers are with you.

I am here for you if you need anything or just want to talk.

With my deepest sympathy, Scott Johnson

“ As a neighbor we have known Amber all her life. Though our contact recently was usually limited to a few words in passing or a quick wave, Amber was always pleasant and we will miss her. We are heart broken for her family, Jacqui, David, Mikki, Scott and Lexi. Please know that we are thinking of you all. Nancy and Ed Muccino

“ As a longtime family friend, I remember, dear Amber, how much joy you brought to your Mom, Dad and Mikki when you were born. You were a happy child full of energy. Your kind and loving spirit will live on in the hearts of all those who knew you. May all the joy you willingly gave to others now be yours in the loving arms of your heavenly Father.

“ My last memory of my dear niece Amber was my trip home early in 2017. One night Amber and I played a marathon card game well into the night, and laughed so much talking silly - and would forget where we were in the card game. We had to finish the game the next day because we just couldn't stay awake long enough to finish. I would see her every night before going to bed and would stop and talk for a few minutes. One thing we agreed on was the closeness we felt for each other. She was always so sweet and compassionate. I'll never forget the hug before I left to return to California. In that hug, love was given and returned. I hold you and that loving feeling in my heart dear Amber, and know you are at a long last and deserving peace. I will forever miss you.

“ *My sweet Amber. Even though we haven't spoke in awhile, you have always been in my heart. You are truly one of the sweetest and loyal friends anyone could ever have. If needed, Amber would climb the highest mountain for her friends and family. We have so many good memories and inside jokes that I will always cherish. You are at peace now and I will always speak of how kind you were and will continue to be. I know you are watching over your loved ones as the best guardian angel because you were a guardian of friendships.
I will love you always darlin!!!! ~Stephanie Cobb Barnhart*

You are so welcome Mikki. Amber and I were friends for a long time but for reasons I'm sure you know, I had to stay away for the past 4 or so years. But she really did have a heart of gold and if able would go to the end of the Earth for those she loved. I remember how excited she was to become an aunt and loved Lexi and you so much. She talked about her all the time to me. If you ever want to talk, I am here for you. She would want that. 248-346-5399. Also, if there are services for her, I will be there. Give your Mom and Dad hugs for me too. Sending good vibes to all of you. ~Steph
