“ David I am very sorry to hear of Amelia passing. My heart is very sad, she was sure a very good friend. I will really miss her, her cards and her phone calls. When we did talk she would always talk about you and your illness never about her self, so you must know this is a shock to me. she will always be in my heart and memories. K. Kept you hand in the Lords hand and he will see you through these sad and difficult times
