Ok here it is. I had already told Rob about this day and am so happy to see the picture once again. This was at the awards banquet at the marathon nationals. Andy had won 25 that year.

“ *What a great guy Andy was. For better than 30 years we shared boat racing and snowmobiling. He was like one of our family as we spent so much time together. I know he had had some tough times over the last few years with his health. I will miss him dearly and there will be an emptiness when we are racing and snowmobiling with him not with us. He is in a good place now and can look down on us with his dad and many others who will be there for him. Rest in peace my friend. Mikey!!!*

I will always remember Andy with a smile and a helping hand. He was always first to offer help and encouragement to others. He deserved the best and now he no longer has to worry about health concerns. I send prayers for his family.

“ I met Andy way back in elementary school through his sister Sue it was many years later when I was working at Jim's Corner when I saw him again he was working at Haas Automotive (he and the guys he worked with would come in almost every day). My brother Chuck reminded me that Andy had also been his camp counselor. I will always remember how much energy he had and the laughs we shared over those many years...R.I.P Andy

“ I have known Andy since he was a baby. Also raced boats with him for many years. He was an upbeat guy who also was a great racer, and a fun person to be around. Kathy and I both talked to him at Top O Mich Marathon this year. He will be missed by all in the sport, but never forgotten.
