“ Dear Scott, I was saddened to hear about the death of your mom. I have many memories of her and your family, as well of my friendship with you as we went through school and hockey seasons together. I hope all is well with your family and that the feelings of sadness are soon replaced with only good memories. Sincerely,
Kevin

“ Annie was my godmother and I saw her often when my parents were alive. She was a sweet lady that I think of fondly. I know she dearly missed Mark and I am glad that they are together again. She is in my prayers and thoughts. I extend my sincerest condolences to all of you. Nan Stanczak Mary Ann Woodcock

“ To the Carlson and Connolly Families, We are so sorry for your loss. Our prayers are with your families. Aunt Annie was one of the most generous, most thoughtful, and kindest souls we have ever encountered. Her devotional care to our MeMe Do in her last years was nothing short of Angelic. Annie will be sorely missed here on Earth but Heaven will gain when she is welcomed with open arms. May God bless your families.
