

Angela Tisch

June 6, 1974 - November 9, 2024

Angela Tisch passed away peacefully, leaving behind a legacy of love, devotion, and cherished memories. A loving mother, she dedicated her life to her three sons, Nathan, Samuel, and John Tisch, who were her pride and joy. Angela's nurturing spirit and boundless affection shaped their lives in countless ways, and her memory will forever be a beacon of love and comfort to them. Born to Mary Sendek and the late David Sendek, Angela shared a close bond with her mother and treasured the memory of her late father. She was a dear sister to Andrea and Bill Sendek, whose enduring connection with her reflected the deep love shared among siblings. Angela is also remembered fondly by her many aunts, uncles, and cousins, who celebrate her life with a mix of gratitude and grief. Angela was known for her warmth and vivacious spirit. She found joy in cooking meals that brought family and friends together, always serving up love alongside every dish. Music from the 70s and 80s, especially the soulful tunes of the Bee Gees, filled her home with life and echoes of her vibrant personality. Above all, Angela's greatest passion was spending time with her sons, creating moments of laughter, love and deep connection. Her memory will be cherished by all who knew her. May her spirit continue to inspire acts of love and kindness, just as she did throughout her beautiful life. A memorial gathering will take place at St. Lawrence Catholic Church 44633 Utica Rd, Utica, on Friday (November 15th) at 9:30am until the time of Mass at 10am. Immediately following Mass the family would like everyone to join them for a luncheon to continue the celebration of

Angela's life. Please share a memory of Angela on the tribute wall tab.

“ *Angela was the first person to invite my son and I over for a group playdate when we moved to Dryden. She was so sweet and caring. She always had a smile even through her health struggles. My heart goes out to her boys and family.*

“ *Angela were Cub Scout Leaders for our boys in First grade. That's how we met. It was instant friendship. From going on walks 2-3 times a week, pushing John in his stroller, retail shopping, dinner and more. She always had a smile, encouraging words. When we would talk on the phone for two hours at a time. She's such a blessing. Her faith in God never waivered. I'm so happy our paths crossed. Love my Best Friend. Ti I we meet again. ❤️*

“ My heart is broken, knowing that such a beautiful soul has been taken from us. My love and support go out to her family, a family I consider as my own. Growing up with John made Angela feel like a second mother I always needed. She always knew how to make me feel welcome at family gatherings, and always knew how to cheer me up with her beautiful smile, and of course her amazing food she would make for John and I. There are so many memories that I will cherish. Heaven gained a beautiful soul, and I can't wait to see your smile again someday Angela. Fly high ❤️

“ I met Angela briefly, but I feel like I've known her for years. She was generous and welcoming. She had a very comforting presence and made me feel like family. I've been rooting for her for years and I'm heartbroken that it's finally come to this. My whole heart is with your spirit and your family.

“ My beautiful sister Angela is gone. We fought so hard to keep her with us. Life isn't the same without you here, you brought so much energy and joy to us, you were the heartbeat of our family. You blessed us with so many memories and taught us the value of family. You live in our hearts and minds, I will never stop speaking your name. I want the world to know what a beautiful sister I had. I love you Angela and I look forward to the day we are in each other's arms again.

“ Angela worked at Dryden Elementary for many years. She worked in the before and after school program and helped out in other rooms when she could. The children loved her. After school she always had a bag of snacks to feed the kids who were hungry. Miss Angela is in the hearts of many children at Dryden Elementary.

“ My heart is broken. My very first best friend and our friendship meant the world to me. From babies ourselves, through grade/middle/high school, to college roommates, to babies and so much more...I love you and will miss you forever, my sweet Ang.

“ I always thought Angela was an Angel and her given name was perfect for her. May God keep the family close to his heart.
