“ So sorry to hear about your Mom. We loved her and your Dad so much and will always cherish the time we spent with your family over the years. Some of my fondest memories are of the annual family & friends corn roast that your parents hosted. It was a very special event and everyone felt loved and part of your family when we attended. “ Aunt Angie was one of my favorite people in my life. I loved her cooking, crafts and the paintings she created of which 3 are proudly hanging in my home. Her talent knew no bounds.I look at those and remember all the good days we shared during the time I was growing up. She had always been so loving and caring towards me and I always loved getting her special hugs. I will miss you my dear Aunt and know the angels are lucky to have you with them.
