“ I absolutely adored this woman. She was a true source of inspiration and I find it an absolute privilege to have known her. When my brother passed away 4 years ago she was in credible source of strength for me. I carry a heavy heart today and I'm so glad I got to know her. My prayers go out to Angeline's family. With bests regards. Love David Mordell

“ Matt, sorry to hear of your loss. I remember when we were kids we would play poker and other games at your house and drive your Mom nuts, but she always had patience for us. Hope life has treated you well. Bill Moore, Rome, NY. Mike Moore, Redford, MI.

“ *My favorite memory was spending thanksgiving with her. She talked and talked, telling us the most interesting stories. We sat down and had dinner, and then she told them all again.*

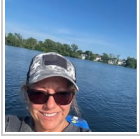

What a sweetheart

“ *One of my favorite memories of my grandma is spending the night at her huge house on Dickerson and Warren on the east side of Detroit and getting up in the morning to the smell of biscuits baking in the oven. We'd have biscuits with butter and honey, then we'd catch the bus downtown to Hudson's on Woodward to visit Aunt Isabel working there. I remember the elevators at Hudson's with the clear doors so you could see everything inside the elevator shaft. We would go to Sanders after shopping and have sundae's or milk shakes.*

She was actually my cousin but i called her aunt Angie. We usually went in the summer or for Easter. I always had a great time....she was very funny and Aunt Isabel was more serious of the 2. I knew something was wrong when i tried calling and number was disconnected. ...Matt if you're out there and see this I am Roseann Peranio originally from Long Island. My dad was Paolo /Paul.
