“ *When my daughter Kris called to let us know that Ange had passed away, it brought back a flood of great memories of Ange, Carl, Butch & Grace, & Mario & Dino during the years we lived in Shelby Twp. and routinely stopped into the station to fill-up and share a few laughs with the guys à We retired to Florida several years ago and have never had the pleasure of finding a local gas station down here where we could feel so comfortable and trust a family like the Diciccòs to take care of all our automotive needs. Since we can't be there at this sad time, we'd like to offer our condolences to all the family. Sincerely, George & Janet Bonner ù Lighthouse Point, Florida.*
