“ So sorry for your loss. Mrs. Strenciwilk was like a mom to me in the early 80's and to my girl friend Sandy Hernden in the late 70's. We went and seen her in the nursing home a couple of years ago. It was a joy to see her, and yes, she had a twinkle in her eyes then too. She will be missed. If we had known we would have been at the funeral. You guy's take care. May God be with you all!

“ Dear Sharon & Dave, Our hearts, love and prayers are with you and all of your family. Your mom was a special lady. I enjoyed visiting with her, before she became very ill. Speaking with her in Polish was a joy for me. Your mom had a twinkle in her eyes, and I believe she knew "God would take her in "His" time. May God's love embrace you, your brother and sisters. Love Always, Yolanda
