“ *Auntie Anna - what a special lady and wonderful godmother. There are so many good memories of you, but the ones I cherish the most are the most recent. I have loved making cards with my residents because it was a good excuse to send one your way, just because I was thinking of you. But I think my favorite memory will always be of you wearing a big floppy hat and climbing a pyramid when you were 80. I had always thought of you as beautiful, but that day, you were just so cute. You will be missed here but I hope you give our love to Uncle Eddie. Linda & Jerry, my heart breaks for your loss. Please know your cousins love you and are here for you.*

“ *"Auntie Anna" not only my godmother, but we shared the same birthday. How lucky am I? I will always remember everyone singing to us on Christmas in Aunt Jen & Uncle Bill's basement. Anyone remember the Christmas we all got ponchos? So long ago, but seems like yesterday. Auntie Anna, you will always remain in my heart and I will think of you often. Linda & Jerry, my thoughts are with you during this difficult time. I know you've been through a lot and please know that we are all thinking of you and praying for you. Love your cousin, Lori*
