“ *Because I feel that, in the Heavens above, the angels and elders are whispering to one another," Many, many blessings are being sent her way"... "* Anna Rose is finally home,"

May my mother be greeted with God's love and understanding, and being greeted with smiles and hugs by her Husband and my Dad Richard, Tom her son and my brother. My uncles,.. Uncle Frank, Uncle Chuck, and Uncle Ralph...Her sisters, Aunt Lou, Aunt Fee, and Aunt Amelia, Ma and Pa and everyone else's who has passed on through th years. My mom touched many hearts with her own smiles through the years .

She was there when I found out I was having twins and was there laughing with us when they were just learning about the world. Thank you Mom for the good times. I learned a lot from you, you will be missed. You are so beautiful and at peace now.... thank you for being the lioness in this world of wonder, love and awe.

Their is no other love that is so devotional as that of a Mother's love.

Much, much love being sent your way

Your 6th child, the baby of your family, Judith Ann

“ I loved Aunt Anna with all my heart. I spent numerous nights with her and my grandma walking the pier and then cleaning fish regardless of the weather. She went with us to Tennessee one year and we couldn't figure out what the noise was coming from the back of the boat... she had two ducks sitting in the back with her and she was talking to them. You never knew what she was going to say but we always knew she would feed us, would hug us, and would correct us if we needed it. Thank you for being there when I needed you most. Love Luann
