“ Anne and I worked together with the State of Michigan. After our retirement we became very good friends and were members of an informal sister's club with four other dear friends who met quarterly for lunch and we shared a very close and dear sisterhood. Anne shared her sense of humor and enlightened us with her travels around the world and her wisdom. She was so genuine. Our sister club will always hold a special seat for Anne as she travels to eternity. I am going to miss Anne , and I am so thankful that she touched my life and we became special sisters.

“ May OUR LORD Be PRAISED, MAGNIFIED, ADORED, WORSHIPED, HONORED and given OBEISANCE for the life of Anne Patrice Dombro. I am so happy that we crossed pathways in the Juvenile Justice System and Foster Care Services at the State of Michigan.

The last time I saw Anne was over two weeks ago at William Beaumont Hospital where I hugged her and family members. I was honored to give Anne, Kathy, and Joe Holy Communion. This was a very sacred moment as OUR LORD's presence was in the room.

Anne leaves a legacy for everyone to build and glean upon as a giver, comedian, gregarious personality, very dependable, charitable and highly intelligent CHRIST centered individual. Anne loved giving booklets entitled, "Bites and Peaces." These inspirational booklets are all over my home.

She was my Sister-In-CHRIST. I had a pet name for her around the office - - - "ANNE OF GREEN GABLES." Anne depicted many gentle and friendly traits of "Anne of Green Gables."

Anne gave unusual gifts; a Blessing Jar; a beautiful quilt from Children's Hospital, etc. However, the priceless gift that she gave was to my mother at her 93rd birth anniversary celebration. Anne attended and presented my mother with ninety-three silver dollars. Anne always put other before herself.

Anne supported me at my mom's Celebration Service, my ordination, retirement celebration, etc. As you have determined at this juncture, Anne was a very important friend in my life. Her legacy will live in my heart forever. She will be dearly missed in this world for GOD made a precious gem and an icon to MODEL after. I am so very happy that I had the opportunity to tell Anne what a wonderful person she was before she made her transition.

For ANNE PATRICE DOMBRO, this is not death. It is sunrise; it is

morning; it is ANNE'S eternal day..

“ *My heartfelt condolences to the Anne Dombro family and friends. The last time I saw Anne was a couple of weeks ago, when Rebba and I came to visit her at the hospital. Anne's devoted friend, Herb was there in her room upon our arrival. Herb's dedication and faithfulness towards Anne and her wellness was incomparable to any human standard and to be marveled.*

Anne's labor of loves was multifaceted, and her profile in courage was remarkable by any metrics. However, the memory I will hold dear to my heart was the simple good-bye kiss on my cheek she gave me at the end of the visit. I guess this was her way of saying that all was well between us.

I'm convinced now that God loves receiving flowers too. Especially, a gentle rose like Anne!

“ *My thoughts and prayers are with the Dombro family. I know that Anne's friendship was a gift from God and I am forever grateful. We met while working for the State of Michigan in the Licensing department and shared countless fun times and laughter on and off the job. Anne's witticism and compassion for others was just awesome and I treasured every moment of our friendship. I know that Christ has prepared a glorious home for her.*

“ *Dear Dombro Family,
I can't begin to tell you how much Anne meant to me over the years. We became friends through TOPS but spent many fun hours together outside the club. Her dry wit endeared her to me and I loved to see what she would say next even during the last weeks of her life. We shared a love of reading and animals and could talk honestly about almost anything. I will miss her so much but I'm so glad she is no longer suffering. I told her to save me a room in our Lord's mansion in Heaven.*

“ *To the Dombro Family: I am sorry to hear about Anne's death. It is never easy to deal with the death of a loved one. It is times like this that make us look forward to when God will remove death from the earth (Isaiah 25:8).*
