“ I hate that I live in Texas and wasn't able to see Anne nor visit. She knew me from the time I was little, as Jennifer and I were best of friends. There were many great times at the Oak Park house and pool times at the York house. Anne gave my a personal wedding shower around that pool, such an awesome, giving, woman. You will be missed, hug Jen for me. I know you are in a better place now away from the pain. Hugs to all the family.

“ I don't even know how to begin how to express my sympathy to Michael, Steve and Andy. Anne always wanted us to make good decisions and lord knows we tried. The stories we could tell! I miss those laughs. I will miss her. I will keep you all in my thoughts. I am sorry I am unable to attend, but I am sure you will understand. I know she would. Rest in peace Anne. “ Anne was a champion and forever friend of the Combined Regional Emergency Services Training Programs and site at OCC. Her leadership and dedication to the first responder community has resulted in funding not only for the building of the CREST site, but will continue on through her dedication to the Clyde Harnack Firefighter Scholarship fund. She was so concerned that she would not be here for this year's selection of candidates. I can assure you that she will be there in spirit. She will be sadly missed by the staff of OCC CREST.

“ Dear Schutt, Grimm and McElroy families, I'm thinking of happy times through the years shared by our two families in Royal Oak. Many of my memories began during our "growing up" years, especially during the Tom Kirkman "era" at R.O. First Pres. Anne, I'm remembering your commitment in the community and involvement in the church. And, you held a special place in my mom's Ginny Putnam heart. Now you are at peace, reunited with loved ones and always remembered with love. With love and sincere sympathy.

“ I'm sorry I will miss the service! I have to work - Anne would like that since she always wanted my career choices to be meaningful and fulfilling. She was a lovely woman who always supported me - as a City Commissioner and as a State Representative even though I'm a Democrat!. She encouraged me to stand up for what I believed in and to vote my conscience. I especially enjoyed our association during the School bond election every one! in 2004/5. She was a great role model for all of us who were born and raised in Royal Oak. Rest in Peace, Anne.
