“ All Of the Family here in Florida send our deepest sympathy and Our Hearts are with all of you. We all have many joyful memories of growing up down the street. The big house on the corner and aunt ann keeping an eye out on each of us. I remember sitting on the porch visiting with ann and also playing on the side lot... getting in trouble for hiding in the bush on the corner at night playing hide and seek, I always thought the middle of that bush was the best spot. I know she didnt appreciate me stomping the inside of that bush but she still would laugh and talk to me the next day. I loved ann and ray tremendously and love all of you very much. Sincerely Jackie

“ Aunt Ann will always be a special person to me. I have nothing but fond memories of her. I pray that she is now at peace and happy being reunited with Uncle Ray after so many years and the rest of the family that went on before her. My prayers are for those left behind that their lives be filled with God's love and peace as they move forward. sorry we are not able to attend the service for her, but will take time out to remember her.
