“ Uncle Tony had this look like he was always thinking something fun. I know he loved Vegas! I'm going to miss popping in at Gibraltar and seeing him at the booth and catching up about family and life. He was my favorite uncle.

“ Dont you remember when we were little on you had the geese and the ducks in your backyard and they would chase Tony, Mike and Bob. and your dad would come out and yell about bothering them. When you all would come to visit Nonno and Nonne and we would all be mischevious and your father would say Now Now settle down. It was so nice seeing your dad in Michnigan when Elena competed. I know my dad really enjoyed it!!!!
