“ I was so sorry to read of Tony's passing. How ironic that Tony and my Joe passed within 3 days of one another.....Joe's passing being 13 years, already. Joe always enjoyed Tony's visits, especially when he'd be gardening or I'd be on the lawn tractor. He was a good man, a good neighbor.

My condolences to Virginia, Anthony, Jen & her family.

Thanks, Merrilee!! You're kind words mean a lot to us. You and Joe were always good neighbors and friends, and both Tony and I enjoyed the times we spent together. I miss you, and I wish that we could get in contact with each other again! Thanks again!

“ To my dear older brother, You were so good to me all my life. I'm so sorry we missed out in seeing each other as much in our later years. You worked hard all your life. You have given me such love and support that a little brother could ever wish for. I will miss you so.
