“ Over the past few days we said goodbye to my Grandpa Tony. There are not enough words to sum up his legacy. He lived a blessed, fulfilled life along side his bride of 66 years my Grandma Gloria. My most precious memories of my grandpa are watching him tease my grandma and watching her dish it right back, and still always getting googly eyed over her. I am sad to say goodbye, but not forever, just so long for now. 1 Thes 4:13-14 Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him.

“ Tony.... You were a special person one because you loved your wife of 66 years and created a family and a group of friends whose heart you have touched. I've only known you for a few years but when I met you I felt I've known you forever. It was fun to hear your stories of when you drove the semi since then every time I see a semi I think wow I bet Tony wished he could be behind that wheel now you can. Thank you for your service in the military to protect our nation as I know now you will look over and protect many.. make sure you keep a cold beer.. and a Klondike bar on ice for me..
