“ Aldo, Alba, Antonette, Andrea & the boys -- We're thinking of you and you're in our hearts at this most unthinkable of times. We will forever remember Anthony with a smile on his face -- we never saw him any other way. It's been such a pleasure to have you all in our lives; we're sorry we couldn't be there but we know you'll be surrounded and comforted by loving friends and family. Regards --

“ Dear Andrea and family, The first time I met Anthony was right after Vince passed away. He came into the office and told me he had heard the news, and pointed up to the sky, and said he was mad at "him" for always taking the good ones. Anthony and Andrea were seated at the same table as us at Vince's memorial. We all enjoyed meeting you both very much, and are very sorry for your loss. God called another good one home much too soon.

“ Dear Andrea & Family, I am deeply sadden and so very sorry for your loss. I took care of Anthony's insurance matters for the business and only had the pleasure of meeting him a few times. He was always smiling and ready with a deck of cards to show off his latest tricks. My prayers are with you. Karyn Walker

“ Dear Aldo & Alba, I am so VERY sorry to hear about Anthony.....I know you must still be in shock and nothing I say can take away your pain. I just wanted you to know how Vince & I felt about Anthony. Your son is a WONDERFUL man who took great pride in his work, and in his family, which of course I'm sure you know that too. He is going to be missed dearly. I have been smiling all day whenever I picture him in my mind. His smile and joy for life is very special. I'm sure Vince and him are RIGHT NOW smoking some nasty cigar and sipping on some homemade wine in a coffee cup of course ;-.... Please let me know if there is ANYTHING that I can do for you and your family. With very fond memories, Love Sue Roe

“ Dear Andrea, Words of my thoughts are hard to find right now.....I am in SHOCK to say the least. The one's that are FULL OF LIFE and the one's that people look forward to seeing shouldn't leave us so early. It's just not fair. Anthony touched alot of peoples lives with his WONDERFUL sense of humor. I can't tell how many people wanted to know "who's the guy that was doing the card trick's"? at Vince's party. "He's such a BLAST"!!!! He just enjoyed life....spoke of his family so lovingly.....I know first hand how hard this is going to be for you....and I know I don't have to say this but I am here if you ever want to talk. I remember one nite that I will never forget, Vince and I pulled into the parking lot to Jet's Pizza and as we were pulling into our spot we noticed the vehicle to the right of us. The people inside were obviously jamming to some music and laughing like I've never seen before. We got out of our car, looked closer at the vehicle next to us, and it was you, Anthony & the boys. Smiling from ear to ear and just having good ol fashion fun. I remember Vince's comment "Right On"....and Anthony's response was "That's us, just having fun" I have a huge smile right now, picturing Vince and Anthony just stirring up all kinds of trouble up there cause they truly are both just two kids at heart. We all are deeply saddened here at Roe Agency....PLEASE let me know if I can do ANYTHING for you. Love Sue Roe
