“ Tony spoke at my 2016 high school graduation. We all teared up at his kind words. It was a moment none of us would forget, because the man who brightened our days was there to cheer us on and wish us a happy future. The class of 2016 and many others will miss, and never forget Tony!

“ Tony was honestly one of the greatest spirits I've known. From his “hit the bucket” catch phrase to his iconic smile, I think everyone who knew Tony at Lake Shore can agree seeing him was always the best part of the day. He interacted with students so well and really made everybody feel like family. Tony made Lake Shore High School a safe and happy home.

“ Mr. Tony was a bright shining light for me at Lake Shore High ; I cannot count the amount of times he made me smile through tears. I can honestly say that he saved my life, just by being there when I needed some one. He always made me feel seen and cared for ; he checked on me regularly to make sure I was getting through okay and doing alright mentally, emotionally. Even just stopping me in the hall for a quick chat and a hug, in the smallest moments, made my days easier. Pay he rest peacefully; I know he is destined for a better place.

“ Sorry to hear about Tony. He was one of kind. Class act! A Lake Shore legend. He ALWAYS looked out for my friends and I in highschool. He would listen to your problems and give you advice on any situation. I was close to him in highschool. He was just an awesome person. Years after graduation, my friends and I were able to meet up with him a couple times for lunch and dinner and just hang out and talk. He will be missed.....

“ *Kathy and family, you have my deepest sympathies and condolences for the loss of your sweet Tony. I loved him too and will always remember the good times at the bank and after. My best two memories of Tony are the day he hired me to work at the bank, and the day Gary and I spent with he and Kathy at Durand. He was having a wonderful time and we had a lot of laughs. This is how I will remember Tony. He was full of love. God bless his beautiful family that he was so very proud of. I will never forget Tony Scoppa.*
