“ Dear Vohs Family Words cannot express our sadness for you, Tony was the very best. He was always full of wisdom, kind words with a sincere love and appreciation of everyone he met. I am proud to say I knew him and was a friend since I was a young man eager to learn our trade, he was always willing to offer sound truthful advise to his fellow contractors whom all had a great respect for him. I have been a long time member of the \$2.00 club and like countless others have been touched by his kindness and friendship. He will be truly missed but never forgotten and live forever in our hearts. Tony, you have always been a true example of a good friend and the leader of pack when it came to making friends and being kind to all. By For Now

“ To the Vohs Family, We are so very sorry to hear of Tony's death. He was a very good friend of my father, as well as to my wife and myself. He was the most honest, loving, and kind man that I have "ever" met. His love for his wife and family was an example to all, and was only matched by his love for the Lord. Tony always found time for others, regardless of how he felt, or how busy his schedule was. We are proud to have been a part of his 2 Dollar Club, and to have called him friend. We know without a doubt, that the Lord has prepared a special place for him, for all eternity, as we know in our hearts, that he certainly deserves it.

“ To all that knew Tony. When you had the pleasure of running into Tony you would instantly realize this guy was very upbeat and outgoing. As a younger man I ran into him when I was in between employment and he was nothing but encouraging. Another time he was in the same restaurant as my wife and I and made sure to give us both \$2 dollar bills. He told us that if we were to need some money in an emergency that we would think of him when we used it! We think of you often. Tony, you were "one of a kind"!!! It was an honor to have known you.
