“ To the Velez Family - Although I haven't seen you guys in years, I was practically your neighbor for 12 years and have so many good memories of Tony and Nick & Vinny being at Flo's house and just being fun-loving kids. Tony was always so outgoing back then, and from reading these it appears he didn't change much. I am deeply saddened by his death and truly extend my condolences to each of you. At least we know he has a good babysitter up there! Stay strong together and be well.
