“ Toni was my mother in law back in the 80's I was married to her son Dino and I will always remember the fun times Toni and I had together going out to eat! I use to load her up in the car for dr appts and then we would go to Michael's Family Dining or Ram's Horn for her Julienne Salad! Toni taught me to play pinochle and even included me in her monthly card playing group back in the day - and this is how I became a "secret pal" in the group. Toni's wit and charm were so very special and she was quick to let anybody know that during the winter - it was her snow dance that was causing all the snow!! She loved life and never gave up even when faced with hardship or ill health. I will never forget the stories of her and Micky her daughter loading up the VW Bug and going to Florida.....She had me laughing so hard I would cry.....Toni: you will always hold a special place in my heart - your days of suffering are now over and you are now at peace!!! Sam, and now my Frank also, are all waiting with open arms to welcome you "home".....you will be missed, but always loved.RIP and Much love to the family

“ My mother in law had MS. She was mobile with the aid of a walker for many years; she wore larger looking shoes and walked with a little Chaplin style wobble. Combine all that with a light brown to red hair color and a semi big hair style and to me she looked like a clown. She said like Bozo and I laughed and said YES! That was my term of endearment for her til her last day. She was my Bozo! Rest easy Boz, you've earned it. Say hello to Sam, Irene, Jackson, Tony, Rose, Johnny and everyone else. What times you're all having now!
