“ I know you are in heaven looking down on us smiling and giggling with that cute laugh of yours. I will always remember you and the fun we had getting ice cream and just hanging out. I am so glad I got to see you recently. You will always be in my heart. Love you.

“ You were by far the sweetest and kindest man I have ever known. I will miss our phone calls and the time that we were able to spend together. I'll forever cherish your visits to Ohio and the fun we had during those visits. Although I'm sad that you're gone, I'm thankful that your life is no longer a chore for you. Until we're able to laugh together again, know that I will think of you often and cry, because I miss you, but I'll remember our times together and smile, because they were some of the happiest times of my life. I'll always love you Antone. Becky
