“ I will never forget Arlene. She was like a mother to me for a long time, and someone I could lean on if I ever had hard times. She was my friend and I loved her dearly. We had a few good laughs her and I. But most of those were with the family gatherings. I am honored that I was able to be a part of it, she always made me feel like family, as well as everyone else. You are all loved very very much and I am so very sorry about your loss.
