“ Dear Arlene and Criss, Lindsay and family, It breaks my heart to know you were taken much too soon. I didn't get a chance to be as close as I would like to have been. I do know you were a warm, loving, caring person with a big heart and soul. I hope you and your family find some peace and comfort in knowing that you won't be suffering anymore. I know you will be with the most special people, God's hand chosen. I'm sorry this awful thing has happened to you, God must have been lonely or needed you for a special purpose. Rest in Peace and enjoy your rewards being with God now. You will be missed!
Love Bonnie, Bill Andy and Melissa.

To Arlene's family and friends: Although I never met Arlene in person, I worked with her for many years, often under very stressful and fast-paced circumstances. She not only was very competent and professional but always conveyed a genuine warmth and friendliness that made our challenging jobs a little bit better. She set a standard in our business that few can attain. And although I was sad when she retired, I was also very happy for her and hoped she could enjoy her friends, family and pets for a long time to come. I have nothing but fond memories and gratitude for her. I am heartbroken that she left you too soon and my thoughts and prayers are with you. Vince
