“ *Dear Tom and Family, I am so very sorry to hear of the loss of your your wonderful wife and mother and my dear friend Jean. I will always remember the fun times we shared when we were teenagers in high school. There are no words that I can say to you to ease your broken hearts. When you think of her, try real hard to smile and remember all the good times you shared, knowing how much she loved and cared for her family she wouldn't want to see your eyes filled with tears. God Bless you all, you are in my thoughts and prayers. With Love and deepest sympathy, Carole*
