“ Dear Dottie & Family, There are no words that can truly reach the depth of what you must be feeling now...but there is deep care and concern, love, freindship and support that is here for you always. May you be comforted by the many heartfelt thoughts of others and as each day dawns, may you have greater strength...and the urge to take on the world again. “ Dear Dottie; Ted's always told me how Armen was like "Mr. Dad" - an all around good family man, a great role model, just like you Dottie. I remember when I married Ted, you both accepted me right away, and luckily I had a chance to meet Armen. Dottie, I love you a ton, who wouldn't - and I'll always hold precious the fact that you and Armen have always been there for my hubby and me. Dottie, I am so sorry for your loss. Armen is in God's arms now, and you - bless your heart - took care of him all these years, when he could no longer take care of you. That's true love. God Bless you and Armen, and thanks to you two, you guys have given my hubby, and me, the best buddy in the world, Dave. Our love is with you, now and forever. Anything you need, please call anytime. Much love and prayers, Geni and Ted.

“ Dear Dottie Mom, Dave, Cheryl, Dave Jr. and Austin; Armen Dad and you have always been family - I am so blessed for having two Mom's and Dad's in my life, and my brother, Dave. I remember Armen fixing the house, on the ladder, with his little transistor radio, listening to the Tigers, and telling Dave and me to "behave ourselves". Anything you need, ever, please call us. We are here for you, always. With much love, Ted and Geni
