“ On behalf of the Maness familly on Mayfair Charlie and Irene Maness, Norene Maness, and I, Viv Maness Nichols just wish to express our condolences to the family of the guy who LITERALLY "bailed" this family out many times, and brought heat for so many of us. He helped here at "this ol' house" when Dad and Mom needed help 40 years ago...and Dad loved the opportunity to bowl when Art was around to cheer him on. Years later Art and his crew provided service for Aeroquip and for TRW because Sis and I remembered how much Mom and Dad respected Art and his small army of helpers. I'm sure Mom and Dad are a part of the "Welcome Home celebration" for this kind and loving man.

“ My deepest sympathy go out the entire McQuade Family. May our Lord grant you His peace and comfort in this time of grief. Romans 8:38-39 For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.

“ *McQuade Family: I will see all of you this evening however wanted to sign the guest book here as well. You all have been such a wonderful, welcoming, and loving family to get to know and be a part of. Art was always so giving, fun, and such a loving person. He always made me feel that from the beginning I never had to be something I wasn't, that I could just be me. It is as though he immediately took me right in as a member of the family and never thought twice about it. All of you make me feel that way. Joel and I will miss him very much. We both know that he is now suffering no more. He is with his Savior and free from pain and worry. His eternal life begins now. Speaking for both Joel and myself we want you to know that we love you all and will continue to hold you in our prayers. Love, Tiffany Flatt*

“ *To the McQuade family, My thoughts and prayers go out to all of you during this difficult time in your life. I have only met Arthur a couple of times when he was out in ridgecrest with his wife visiting his daughters Donna and Gail. He was a very quiet soft spoken man but a strong man, he was always smileing when I seen him, even when gail's house was loud and noisy with all the woman laughing, and complaining, I remember saying to him how I felt sorry for him having to be around us loud woman, he just laughed and said he was used to it. Remember that Arthur is never very far from you, and that where ever life takes you he will be there with you..watching over you.. God bless you all lynn*

“ *I am Art's Son-in-law Gayle's husband. Unfortunately I am unable to attend due to recent back surgery but did want to send this message to let all know that it breaks my heart not to be there with all of you in this time of sorrow. Since joining this family almost 20 years ago I have come to love Art as if he was my own father and will miss him terribly. I am truly sorry that I'm unable to be with Gayle and Karen during this period of sorrow but know that they understand. There is a big hole in my heart that can never be filled. I'll miss my buddy and the times we worked and played together more than anyone can ever know. I'm at peace because I know that God welcomes a good man like Art with open arms and will take care of him as he enters the gates of heaven. Art, God willing I'll join you down the line ole buddy. Just make sure you set us up at tee time and get us an iced tea and a "clean" scorecard. With my everlasting Love and Adoration, Son-In-Law John McCormick*
