“ Dear Aunt Betty and family, Terry and I wish to let you know that our thoughts and prayers are with you in your time of sorrow. Uncle Art was a special person and he really affected every person he met in a positive way. He was always cheerful and made people laugh with his comments, jokes, or facial expressions. We will never forget our great times together. Art and yourself were true role models for us growing up. Who could forget the great: Tiger games, Bluewater Festivals, Fairs, family gatherings, Hunting Trips, Working at Popular Printing, Camping and smelt dipping / fishing at Point Pelee and the Pinery. Art, Uncle Bill Germani and Woody were like having additional fathers. Yourself, Joyce and Aunt Jackie were like additional moms for all of us kids growing up. I know that my dad Bruce, and your dad George, were waiting at Heavens Gate to show Art around.
