“ Arthur was my father Tom Washington's cousin. Tom passed away in 2012. I was able to meet Arthur because his brother had kept in contact with my dad over the internet. When I found out he was in Knoxville I was able to look him up and meet him once. I've often thought about him and wondered how he would like to know how the rest of the family was doing. I'm truly sorry for your loss. I'm thankful for his service to our country and for being a wonderful part of our family. I hope the memories you have of him comfort you all. Arthur's first cousins Don and Anne are still alive in the Western United States and I still live in Knoxville. Yours truly, Victoria (Washington) Bass
