“ *We will all miss Mr. Goike's quiet and unassuming manner. He was a true pillar of his community and we are better for having known him. We wish his children, grandchildren and great-grandson all the best during this difficult time. We are confident Mr. Goike is in a better place and re-united with his wife, Sybil.*

“ *I want to say thank you to Barb and John for giving me the opportunity of caring for your dad in his final days. I know that his decision was not an easy one to accept, but he did it with dignity. We are all on this earth for the time that God allows us, so it had to be God's plan that Gus chose to take the path he did. I believe it is harder on the loved one's that are left behind. It was a pleasure meeting all of you, and I am thankful for being a part of your lives. Even though, it was not the best of circumstances. Take care and God Bless all of you, Debbie*
