“ I am so saddened by Aurora's passing; I feel like she was the last closest link to my biological family Gensmer who I never had the opportunity to meet, so sad. Speaking to her on the phone once was an opportunity of a lifetime. She seemed like a very "with-it" lady in her 90's. Aurora...happy days ahead with your family...wish I could have met all of them and known them growing up. My condolences to Dona and family members, keep her in your heart. My prayers to you.
