“ I am shocked and saddened to stumble upon Barb's obituary. I met Barb back in high school days when we worked together. Then she worked for Dave Cameron and it literally was in the commercial building attached to my childhood home. Tracy, my deepest sympathies to you and your family. May she rest in eternal peace and may you all find comfort in your memories.

“ Dear Tracy Scott and family. Our dear Barbara left this earth way too soon. In her short time here she has been a part of so many great laughs and memories. Never to be forgotten. She was a trooper to the end and I hope you find comfort in knowing she isn't suffering any more. Our time is here is precious. Much love to you all and know the my heart goes out to you all during this difficult time.

Peace be with you.
