Barb was dedicated to raising her family. She cherished her special friendships with neighbors, coworkers and lifelong friends. Barb had a kindness, ease of conversation and genuine concern for all. “ We are so sorry to hear of your loss. Fondest memories while growing up as neighbors on Keats Avenue with over 50 kids on that small block. We had some awesome times with many “Moms” looking out for us. Big hugs to the entire family during this difficult time but cherish the memories in your mind and soul. Ms Barbara give your son Jerry a big hug as he welcomes you home. I can only imagine the reunion you will have. RIP. Jeff and Carol (Tomeo) Haksluoto

How nice that my mother was Barbara's best friend and her children knew it but were too ignorant to let my mother know of her passing. What a shame.
