“ I was really sorry to hear of your mom's passing. And sorry to hear she was so ill before her death. I wanted to make it to the funeral home, because my dad and mom cannot. She is in the hospital for a month now. But things came up and I couldn't get there tonight. Please know that you are all in our prayers, and I know she is truly at peace and pain free. My fondest memory of your mom was when we were little and she came to grandma's house in Detroit for Easter. She had her hair done up in a bun that was a nest and even had robin eggs in it. I can just remember how amazed I was with that! She was one of a kind. I liked her honesty when it came to things with the Skerkowski family, she was real. Probably saying screw them all! God's Peace to you all.

“ Memories keep the one you loved close to you in spirit and thought and always in your heart, today and forever. Even though words can't take away the sorrow that you're feeling. I hope you find serenity in knowing that your care, love and courage have meant so much to the one you love. And that somehow in some small way, that makes a difference and brings you peace.... Aunt Barb will truly be missed by all of us. Remember how we used to get together almost every weekend when we were younger? Those times will always be very memorable to me. Love, Carol
