“ *Barb was such a wonderful and strong woman. She had a great sense of humor and always talked about her little buddy her cat whom she loved dearly. She will be greatly missed at the Fraser Activity Center. She was like family to us, and she will always continue to be in our hearts and minds.*

“ *I remember the day that we shared with the support group and the relay for life walks, and she loaned me her cane two years ago - at one of the walks. I remember her kindnesses, and i did the walk for her.*

“ My condolences to the family. Barbara was a very kind, gentle person who I have fond memories of when we visited Barbara and Aunt Betty and when she used to come to watch me play baseball. She lived her life full, committed to her family and with a big heart! My thoughts are with the family on this difficult day. Allison xx

“ As leader of Angels of Support breast cancer support group, I knew Barb as a very kind, upbeat person. She never complained and was always ready to give support to those who needed it. We will miss her at our meetings! I regret that I cannot attend visitation or funeral as I am leaving on a trip on Friday. It was indeed sad news to learn of Barb's passing.

“ My heartfelt condolences to Dennis, Donald, Teddy, Patsy and Joyce and their families. Barbara was my cousin but we were as close as sisters and I will miss her terribly. Our Thanksgiving dinners we made together is one of my fondest memories. She was a very kind lady who gave generously to those in need. After her bouts of cancer she volunteered and supported many people never asking for recognition. Another aching space in my heart but she is in a better place now. Love, Donna
