“ Dear Judy, I had intended to attend your Mom's funeral but had a small medical procedure on Thursday that left me feeling under the weather. But rest assured that you and your family have been in my thoughts and prayers. Sandy said Jessica was a delight to see and listen to at the funeral - Grandma would have been very proud. I know you will miss your Mom but what a comfort to know she is at peace and no longer suffering. Praise be to God!! I will continue to keep you and your family in my prayers. Much love, Ruth Ann

“ We have so many memories of both your Mom & Dad. Lot's of laughs and talks while enjoying our poker nights together. Your Mother was a wonderful woman and we learned from her advise on raising our family. Take Care and she will always be in your hearts every day.
