Barbara "Bobbie" McBean

Bobbie was born on January 1, 1925 and went home to the Lord on January 17, 2018. She was pre-deceased by her husband Dick; they were married for 49 years. She had three children, Cheryl Lynn (deceased in 1965), Debbie "Z" (Ken Zalewski) and Richard. She had three grandchildren, Zachary Allen Zalewski, PhD, JD, Michael Parris (deceased) and Tara Jane Parris.

She loved her family and friends so very much. She was an avid card player -- a shark actually, beating everyone she knew at Crazy Rummy and Pinochle! Her longtime friendships enriched her life and the lives of her friends.

Bobbie worked at Meijer in Shelby Township from 1995-2015 in the bakery... she was so pleased she was able to get a job at 75 and make a difference with her customers. She met many dear friends there and somehow managed to stay close to several of them.

She will be dearly missed by all who knew her, and she will live on in our hearts forever. RIP...Rest in Paradise little Bobbie! We love you.
