“ *Barbara, my heart is breaking at losing a dear friend, but the memories of our exploits, the phone calls, the jokes and the laughter we shared will be treasured. My sympathy to your family members who have lost the central figure in their lives, to Big Guy who you loved, to your kids whom you drove crazy after all, that's what a mother does, but who you loved endlessly, and to your first born grandchild, Izzy who you loved to pieces. Barbara, you are and will always be truly one-of-a-kind. You will be thought of often and missed incredibly! Love and hugs my friend.*

“ *Uncle Al, Rob, Ryan and Rochelle. Heaven gained another Angel on Easter Sunday. My heart aches for all of you. I have to think that Aunt Barbara is in a better place free of all the pain and suffering that she endured. She's at peace now and Grandma, Pop and Nan are all loving her to pieces. "tears" Love you all. XOXO*
