“ *I knew Barbara for a short 4 years as a neighbor and friend. She brightened up our mobile home community with her friendliness and generosity. If she happened to be outside and near her car as I was walking my dog, she would always make a point to grab a milk bone for Tess. Usually she would give one to Tess then hand a few more over to me. Barbara was a dear friend and I will miss her terribly!*

P.S. Barb, I'm enjoying the tomatoes, delicious!
