“ My heart is broken but I will always cherish Barry's friendship of 35 years, we met through our Mothers who bowled together and soon after, Barry and I started bowling together,,alot of fun we had back in the day. He was the kindest most caring person. Im so thankful I was able to spend some time with him and his wonderful wife Nancy a couple of months ago when they came to Ohio camping. My thoughts and prayers for Nancy and all of the family, I hope you find comfort in knowing how much Barry was loved. "Memories are Treasures"

“ I was just new in the Air Force when I met Barry at Edwards AFB, CA in 1992. I was fortunate enough to have worked with him in many Phased inspections of F-15s. He was always willing to show me step by step on how to do the maintenance right the first time, all the time. He told me that never take any shortcuts or cut corners when it comes to any maintenance. He jokingly told me he would kick my butt if he ever saw me cutting corners. From that point on, I knew who I can approach whenever I had a question about the aircraft. He was also a great mentor when it comes to simply talking to someone.
