“ Mom was the Rock of this great family. She listened and gave her help or thoughts when asked. She never gave opinions unless asked for. How many people in this world does that? She was the only person in this world I could really talk to. I've had 46 years of her unconditional love, and I cherish every moment. I am not of this blood line... to me it matters not, she is my Mama too. Yes, I'm an old woman, and I am deeply blessed to have her there for me all these years. I knew this day was coming, it comes for all of us. Every day we are closer to crossing into Spirit. Mom's Spirit is the brightest in that realm. It always will be. So vivid, so beautiful, to look upon that vision will fill anyone with deep peace, and profound Love. You can't say that about too many folks we know. I love her so much. She will always be with me in Spirit and wonderful memories.

Beautifully said, Aunt Linda. I agree and feel so blessed and fortunate to have been in her presence. I will forever be grateful that I am a part of this wonderful family. Her light is with us always, as eternal as our love for her.

“ She may have been my ex-mother-in law, but we still kept in touch by phone, Christmas cards & Birthday cards. I sill love her and always will. She was like a mother to me. I'll never forget her kindness, her curiosity and her love for everyone. Thank you for the memories Bernie (aka Barney). Rest in peace and in Jesus' loving arms!
