“ I can't imagine the world without you in it. Many times, we take life, and those who surround us for granted. We seldom think there may not be another 'tomorrow.' But, after your passing, earlier today, I realized that each tomorrow will never be quite the same. My heart aches, but yet I triumph that you are no longer in pain. I've been fortunate to have had you in my life for so many years. I will miss you dearly. Steven
