“ *To Mr. Reichenbach and Family. Please accept my deep sympathy for the loss of your Wife and also to your children and grandchildren. I have known her since I was thirteen years old when Marcia and I first met and we went over to each others homes and spent hours at the farm sharing meals and running through the fields. It has been a privilege to know your Mother and family and I am deeply sad for you now as you grieve. Even now through sadness, there are still good memories hold on to. With much respect, Kathy Askew*
