“ *Bert was my best friend in life. We grew up together in Kentucky. We joined the service together. He came to Michigan and got a job at GM and I soon followed and joined him at Gm. We both loved our Kentucky Wildcats basketball team and compared our views on the phone every time they played. We were more like brothers. We both got married but still stayed close until he went to be with the Lord. Good bye my friend you will be sadly missed. Your friend Ed Stacy.*
