“ *The entire Pierre family sends its deepest sympathy to the Dunnigan's. Bertha was a friend of my parents, Walter and Catherine Pierre. My dad worked at the Free Press and I know your dad worked at the Detroit Times. Bertha kept in contact with me for many years and would call and ask about the family, even after my mother's death 10 years ago. She was a soft spoken, kind, gentle woman who possessed great spirituality. She has left a wonderful example of how we all should lead our lives. Love, Madeline*
