“ Dear Annet and Skip,

Our hearts are breaking at the loss of your wonderful Dad. I will always remember the wonderful family parties with our parents singing around the piano as my Dad played all the great songs from the 30's and 40's and your Dad's beautiful voice rang clear. No evening was complete without your Dad singing "Danny Boy" or my Mom's personal favorite, "Sweet Rosie O'Grady." I can't remember a time when you Dad, my dear Uncle Bert, didn't have a smile on his face and a kind word. I always felt special when I was with my Uncle Bert and knew that he was truly interested in me and what I was doing.

One of the Greatest Generation, your Dad set a perfect example of how to live life to the fullest. He will be missed, but the memory of all the wonderful times we shared as a family will forever be etched in my mind. To borrow from that great song, Danny Boy, my dear Uncle Bert, "the pipes are calling from glen to glen, and down the mountain side. The summer's gone, and all the roses falling, It's you, it's you must go and I must bide." God's speed dear Uncle and may God bless all who remain behind.

With love to all,

Laura Fitzpatrick
