Bethany Diane Poston, age 38, of Sterling Heights, passed away December 10, 2020.

Beloved wife of Mark. Loving daughter of Kenneth and Diane Ray. Dear sister of Laura Cook and Amy Halt.

Bena was a loving wife, daughter, sister, soon to be mother, and friend. Her core values were spirituality, education, relationships, good health, and creativity. She was a Child Care Director and owner at Retro Daycare and was also pursuing her bachelor's degree in Childhood Development through Rochester College.

Bena's passions included child care, hiking, backpacking, art, literature, music, and performing service work. Her biggest dream was to become a mother. Bena was deeply loved by her family, taken far too soon, and will be dearly missed.

“ I came to know Bena through my work at Great Start to Quality. It was evident from our initial meeting that Bena was a genuine person who truly loved the work she did with the children and families she cared for. My heart is deeply saddened to know that such a sweet and kind person is gone. But Bena will never be forgotten. My thoughts and prayers are with Bena's family and friends during this difficult time. - Felicia Wodarski

“ So sorry for your loss. God knows best. This is just another wake-up call to remind us that death is no respecter of persons. The scripture said, Be he ready for in such an hour as he thinks not the son of man cometh. Matt: 24:44. I pray that you will find peace in God's amazing grace. I want you to know that death is not the last enemy to be destroyed. You will see your Bethany again just hold strong. Former classmate.

“ So thankful for the privilege of getting to know Bena. She was warm, compassionate, and endlessly resilient. She treasured the unique bonds with her husband and with her sisters as well. There was nothing more meaningful to her. Amid the most trying challenges, she would find hope and a way forward. And undoubtedly, heaven today is brighter, shinier, and more pristine than ever before.

“ *Bena is one of the sweetest people I’ve had the opportunity of knowing. She was dearly loved by my daughters and she truly cared for them with her entire heart. Never did I worry about my girls when Bena was with them. Bena wasn’t afraid of making lasting impressions and getting down with the children in her daycare. Many times I dropped off or picked up to dancing, singing, paint projects, or story time. My 3rd daughter attended her daycare every Monday and loved it! To me personally, Bena was my Guardian angel. She came to us as a caregiver after the unexpected passing of my farther. Bena helped my family in a way that made days possible during that extremely difficult time. We send all of our love and prayers to Mark, her sister Laura and all family. May God wrap you in his love Bena, until we meet again...xoxo*

“ I met Bena several years ago when I tracked her down via an article she had written which was published in the Grapevine. We recruited her to help facilitate a Grapevine writing workshop we were organizing. She was instantly enthusiastic, an enormous help and addition to our efforts in sharing her experience writing, submitting and publishing in Grapevine, and a true joy to work with.

Subsequently she joined our committee and helped organize two more workshops and also helped with the East Central Regional forum in Detroit in July of 2019. As I worked with her on these events I came to know her caring, compassionate and committed nature. She shared her love of children through her efforts at her daycare and her hopes and dreams of motherhood.

I texted her two weeks ago to check on how she and Mark were doing since we moved from SE Michigan at the end of June. I was so excited to learn that they were pregnant and doing well, expecting a baby in May.

I was shocked and profoundly saddened to hear of her passing. She will be incredibly missed by those whose lives she touched. I cannot imagine the pain of those closest to her and I offer our family's most heartfelt condolences.

With much love,

“ *Bena was a rare gem. She was kind, loving, compassionate, caring and insightful. She first came into my life by caring for my daughter at her daycare. I trusted her fully and she was everything my daughter needed. She was a gift and treasure to have as a childcare provider. Over the course of our time at the daycare, we developed a friendship that I will treasure always. Our deepest condolences and prayers are with Mark and their families as they grieve this enormous loss. I imagine Bena now wrapped in our Saviors loving arms filled with the fullness of His love and Joy. May God be with those who mourn her loss and provide comfort and peace.*
